2. During this TDY subject was charged with the responsibility [REDACTED]. While on this detail it was decided by the [REDACTED] Mission and Headquarters that he would specifically be assigned a position within FE that required him to be knowledgeable of all field stations within the [REDACTED] Mission concept. Based on above and the need for [REDACTED] at [REDACTED] for administrative coordination with that station the Chief of [REDACTED] Mission authorized travel to [REDACTED]. [REDACTED] were a part of the Chief of Station responsibilities all during [REDACTED] assignment at [REDACTED] and he was authorized to travel to these points as required without specific authority.
